

Completeness

One Day workshop

A technique that facilitates and restores physical and emotional health and well being.

Completeness is an advanced process of energy healing that awakens and stimulates previously dormant Chakras in a constantly changing and developing energetic consciousness.

Working with 18 advanced fields of energy and Light, including previously dormant Chakra centres it works to release restrictions and restore healing, strength and vitality.

On the day workshop you will learn:

- ❖ The expanded and energetic principles of all of the Chakra and advanced energy fields.
- ❖ How to use these energy centres for your own health and well being.
- ❖ How to incorporate the advanced energy fields into your existing holistic health work.
- ❖ The history of the onset of the fields and the crucial need for change.
- ❖ Energy field alignment to beneficial Flower, Gem and Environmental essences.
- ❖ A preview of the energetic essences from Kings House Healing.

TUTORS: Jenny Howes and Rena Guttridge Rena and Jenny combine a solid down to earth approach with a realisation and insight of divine principles. They are dedicated to the growth, study and development of energy techniques.
