

Part of a channelling from Archangel  
Metatron through Kevin Core

At this time in the history of the Earth, the vibration in which the Earth exists has changed. All existence is based on vibration. There is at this time on the Earth the raising of the vibration of the Earth and this is allowing the higher vibration in which the Angelic Kingdom exists to now anchor upon the earth.

In truth, this means that your consciousness is raising its vibration. Your consciousness and the consciousness of the Angelic Kingdom are therefore meeting and conjoining and creating wonder upon the Earth. Angels are part of the Divine, and as such, the vibration of the Divine Mind flows through them. As your consciousness raises its vibration, you also are connecting now into the Divine Mind.

The Angelic Kingdom is your guide to being the channels, the tools of the Hand of the Divine. Part of this knowledge, which we will give to you, is that system which is now known as Angelic Reiki. It is through this system that you will be trained to carry the energy of the Divine ind. You will feel the very thrill of the life force flowing through you into your fellowmen. This life force has the power to change reality, as you know it. It is the blessed Breath of God.

By being the channel of this energy you will allow yourselves, your consciousness, to merge with the Divine. This bringing together of human consciousness and Divine consciousness is the process which you now term Ascension. Those of you who are reading this have heard the call, we are calling to you all, to join with us and to bring to Earth the Divine mind.

## Master Teacher Workshop

I say to all of you who do this workshop that all is as it is meant to be. There are no wrongs. There is no judgement. We are perfect channels for this Divine energy and we give it joyously with love. Enjoy what you receive and pass it to all you meet. Be in the wonder and blessing of it.

The difference with this system and many others is that the Angels themselves give the attunements. As teachers you must be confident that the Angels will be with you in every workshop you teach. Therefore, in this workshop you will receive guidance and be absolutely confident that the Angels will support you in any attunements that you do.

A great part of teaching this system to others is having those people participate in healing practice sessions. It is through these sessions that many questions are asked and the techniques themselves are given and explained. Again, you must be confident that the Angels will use you as a channel to bring to those people the highest healing energies possible. As you do this workshop you will receive attunements allowing you to become such a channel.

To participate in this workshop is to awaken in you the Divine. You will be

among the first to receive what is to be the Wave of Love emanating from the Galaxy Heart itself.

This workshop is a powerful experience and lays the ground for the incoming Galactic Energy of Ascension. It places you in your own spiritual power and knowledge of yourself as the Ascended Master you truly are.
